Valley Road Bridge Local Preliminary Engineering Study

Bernards Township and Long Hill Township, New Jersey

PUBLIC INFORMATION CENTER NOTICE

Somerset County and Morris County, in coordination with the North Jersey Transportation Planning Authority (NJTPA) and the New Jersey Department of Transportation (NJDOT), will be hosting a Public Information Center meeting to inform local residents, officials, businesses, and the general public about updates to the Preliminary Engineering of the replacement of the Valley Road (CR 512) Bridge over the Passaic River located between Bernards Township and Long Hill Township.

The purpose of the Public Information Center is to update the public and solicit public input and comment towards the project's Preliminary Engineering design. The meeting will have an open-house format and includes a brief presentation. You will have the opportunity to review displays, ask questions and provide comments. Somerset County, Morris County, and support staff will be available to answer any questions. For more information, please visit our project website at www.valleyroadbridgenj.com.

The date, times, and location of the Public Information Center are:

Date: Wednesday, May 6, 2026

Time: 6:00 p.m. - 8:00 p.m. (open house format) with presentation at 6:30 p.m.

**Place: Long Hill Township Municipal Building
915 Valley Road
Gilette, NJ 07933**

Written comments may be submitted through June 6, 2026, via the website or emailed to maurer@somersetcountynj.gov.

Thank you in advance for your participation.
